Explanation of Responses:

- Each Performance right represented a contingent right to receive a share of common stock based upon Trimble's financial performance. The Compensation Committee certified that the payout for this award would be 485% (out of a possible 888%) of the target to the reporting person based on the degree to which Trimble performed.
- 40% of these options became exercisable after two years from date of grant and an additional 1.67% of these options become exercisable monthly thereafter.
