Explanation of Responses:

- Each Performance right represented a contingent right to receive a share of common stock based upon Trimble's financial performance. The Compensation Committee certified that the payout for this award would be 485% (out of a possible 888%) of the target to the reporting person based on the degree to which Trimble performed.
- The price reported is the weighted average sale price of shares occurring at prices ranging from \$40.31 - \$40.50. Upon request from the SEC or a stockholder of the issuer, the reporting person will provide information on the number of shares purchased for each separate price.
